

Imagining the Future As If It Were Already Here

VISION WORKSHEET

Please provide notes about your vision using the format below; all the notes from all the visions will be used to inform the next step of our process.

What's the Title of Your Vision?

What is It About?

Who Do You See Taking Part in This?

(Is this for all ages or for particular age group(s). Is it for Plymouth members or the public at large?)

Describe the Kind of Activities Associated with Your Vision

Large group gatherings? Small groups? What are they doing? How long do the activities last (hours, days, weeks)? Is food involved? (Use additional blank sheets to describe as needed)

Gracious Space Questions:

What spirit does Plymouth bring to this vision?

What is the setting? The physical requirements of creating gracious space?

Name of Scribe to contact for clarification _____

How does your vision welcome the stranger?

How can learning in public be part of creating or experiencing this vision?

Common Ground

What needs or characteristics of your vision are potentially the same as that of other visions in the room? Do you need similar equipment, furniture, or other resources? Do you serve a similar audience as another vision?
