So you're getting married...

WELCOME! Thank you for considering Plymouth Church for your wedding. We ask God's blessing on your special day and the union of your lives.

Creating your wedding ceremony is a collaborative effort. Plymouth ministers prepare ceremonies consistent with theology of our church and traditions of the United Church of Christ. Your input, in regard to readings, symbols, music, traditions and values you wish to express, is essential to create your ceremony. From this collaboration, the Plymouth minister crafts the text for your special day. We believe weddings are more than a celebration of social custom; weddings celebrate God's love!

Plymouth Church and staff desire to make your wedding a joyous and meaningful experience. We encourage you to spend time with the Plymouth community and gain a better sense of who we are. The following guidelines offer a framework for planning your wedding with Plymouth Church.

GETTING STARTED

Planning your wedding at Plymouth begins with contacting the church office. The Facilities Coordinator checks space availability for your desired date(s).

Upon availability, the next step is to connect with a Plymouth minister. Plymouth ministers love to hear the story of your relationship and will share the values and work of Plymouth Church. Here, you also discuss premarital counseling and other ceremony details.

OPEN, AFFIRMING & NON-DISCRIMINATORY

All are welcome to wed at Plymouth Church! Plymouth congregation, May 16, 1993,

adopted the following statement:

"Believing that God's love transcends all human distinctions, Plymouth welcomes people of all races and cultures of varied social and economic conditions and regardless of sexual orientation. We are open and affirming of all people, and we call all people to the cost and joy of Christian discipleship."

If you need accommodation of any kind, please let us know. In like manner, those who choose to wed at Plymouth may not choose their Plymouth officiant based on race, gender or sexual orientation. Officiants are assigned by Plymouth Lead Pastor.

WEDDING OFFICIATE

A Plymouth minister is responsible for all weddings held at Plymouth Church and is available to assist in crafting all texts, vows, music themes and other wedding program materials. Guest officiates or religious leaders of other faiths are welcome to co-officiate at the discretion of the Plymouth minister.

PREMARITAL COUNSELING

We require couples who wed at Plymouth to engage in premarital counseling. A helpful tool, premarital counseling provides an educational experience to assist couples in approaching the complexities of life together.

WEDDING MUSIC

Plymouth's Music Director provides consultation to create the musical experience you desire. We encourage the use of our organ and musicians for your sacred ceremony. Plymouth Church Music Director must be consulted before arrangements are made with outside musicians. If you choose to utilize Plymouth Music Director's services, we request minimum four month preparation time.

WEDDING PROGRAM

If you choose to have a printed program, you may create your own. The officiating Plymouth minister respectfully requests a draft before final printing.
