

WHAT SHALL
WE BRING?

Volunteer Opportunities

PLYMOUTH CHURCH
UNITED CHURCH OF CHRIST

We are excited by God's call to be a Christian Community open to the transforming Spirit of God. Our vision leads us into growing people of faith who participate in God's work in the world.

We know ourselves as those called to do justice, to act in loving kindness and to walk humbly with God. We are compelled to live under the direction of the Spirit and engage life as an every-moment ministry.

Rev. Dr. Kelle Brown

**Faith Formation, Engaging
& Connecting,
Generosity, Service, Witness**

Rev. Steve Davis

As we have given our hearts and lives to God and one another through Plymouth Church UCC, we commit ourselves to support the Church by being in covenant together in specific ways. The “What Shall We Bring?” emphasis gives us specific ways and places to put ourselves into ministry and service for our life in community.

At Plymouth Church UCC, we recognize and celebrate the covenant relationship of laity and clergy doing ministry together. We have the potential of just under 500 ministers, since every Christian is a minister. Each person who expresses their life in covenant with God through Plymouth Church UCC makes a commitment to support the Church by intentional faith formation, by engaging and connecting in regular participation, by being a people of generosity, through our service and our witness to sharing what God is doing in and through us. Knowing this relationship is vital to who we are in faith, we use the word “covenant” seriously.

Taking this understanding one step further, we desire to grow Plymouth Church UCC by establishing a new Volunteer Ministry, to build our ministry commitment opportunities for living out our covenant relationship around these five aspects. As we begin a new year of ministry together, we offer everyone who participates in Plymouth Church UCC ministries these numerous opportunities for prayerful discernment. Here are places you can commit to and or renew yourself to serve Jesus Christ through your covenant with the Plymouth community.

This commitment is for one year; new opportunities will be provided for your consideration each quarter. Choose the same area next year and/or add to your choices throughout the year. This one-year commitment allows you to explore different types of ministry where God calls you. You will receive training to fulfill the ministry task with excellence.

What Shall We Bring? provides a menu of ministry opportunities to which we believe the Spirit of God calls us, and then gives us the opportunity to prayerfully respond to that call to serve. This process places ministry in the hands of laity and clergy/staff together, as scripture describes. In our clergy/staff driven model, we know that for ministry to be effective, we must all work in partnership. This is the opportunity and the challenge God presents, allowing for the gifts and talents the Spirit has given us to be used in service.

We take seriously the opportunity to share ourselves through our Time, Talents and Treasure to be those who fully claim our identity as Church! We are a people of abundance. Standing in these truths, we invite you to step forward to “do justice, love kindness and walk... humbly” with God as we respond together in “What Shall We Bring?”

Yours in grace and hope,

Rev. Dr. Kelle Brown and Rev. Steven Davis
